No. 456 Savanur, 20-12-12.
21 12 12

Forwarded with compliments to the Deputy Sanitary Commissioner, S.R.D., Belgaum, for perusal.

2. The undersigned entirely agrees with Mr. Rajerao, the Divan. The Vaccinator's services are dispensed with from today.

3. In the execution of official duties, Mr. Abdul Khudduskhan's conduct (from the commencement of his service as long ago as 1889-1890) is anything but creditable. In spite of repeated warnings he has failed to show good results in his work.

4. Had it not been for the inquiries made at the villages and information obtained from Village Officers at village inspection, the Vaccinator would never have brought the matter to light.

5. The villagers were loud in complaint against the vaccination of Habibulla, the Vaccinator's nephew. The undersigned would have taken a stronger measure than departmentally dismissing the Vaccinator if any actual injury or danger had been the result.

6. The boy Habibulla may not have known that he was doing a thing that he ought not to have done but as he is a Thanjada and still a student in the State English school, the undersigned desires that the Head Master should warn the boy.

7. The Vaccinator's peon is sufficiently intelligent and has been quite long enough in the Department to know that he ought not to have accompanied the boy and report the matter to proper authorities. He was undoubtedly in league with the Vaccinator, and should be dismissed.

Dated 11th December 1912.

Memo.

The undersigned has received information to the effect that plague is spreading in Dublin and he thinks that it is time now to start inoculation at Savanur. The Sub Assistant Surgeon Savanur should begin this work at once by persuading & explaining the advantages of inoculation to the people and should report the number of persons inoculated by him daily. All State officials should get themselves & their staff inoculated as early as possible and if any of these refuse to do it, their names should be reported at once. All State officials should endeavour to help the Sub Asst Surgeon in inducing the people for being inoculated before there is even chance of the cruel epidemic making its appearance in Savanur. The Sub Assistant Surgeon should hold a meeting of the leading public & explain to them the advantages of inoculation. It is hoped that much better

results than the last year will be shewn.

The quarterly meeting of the Dispensary was held on 8th December 1912.

The following were present.

(1) The Nawab of Savanurt
(2) Sardar Mahabub Allikhan.
(3) Mr. R.N.Marulkar.
(4) Mr. L.B.Ghatikar. Members of the Committee.
(5) Mr. L.T.Oake.
(6) Mr. B.R.Jagadale- Sub Inspector of Police Savanur. who is not a Member.

The u/s thinks that of all men the Sub Inspector should be the 1st. to be on the Committee as he has to deal with the Dispen--sary in several ways.

The Members have been on the Committee from time immemo--rial. There is no record of this, be it this what the Members say and I believe that this is the case. It is time some alterations were made.

The following are appointed Members.

(1) Sardar Abdul Hayatkhan.
(2) Mr. R.N.Marulkar.
(3) Mr. B.R.Jagadale.
(4) Mr. R.V.Mangalwedhekar- Chairman.
(5) Sardar Mahabub Allikhan.
(6) Mr. Bhimacharya- Public Prosecutor.

The Nawab being the President & the Sub Assistant Surgeon the Hony. Secretary.

The u/s sees no reason whatever for not following Para 34 of G.R. No. 5006 considering that the State is doing all it can to follow the instructions of the Civil Surgeon.

If the Composition fees are raised from one rupee to Rs3 is the case in British Dispensaries it will help to pay for the alterations suggested by the Civil Surgeon.

The u/s does not know why the Divan in his report No. 830 of 1910 thinks that Native States should not follow the rules of British Government as far as possible.

The fees ought to be raised from the next financial year.

The following are the defects pointed by the Civil Surgeon

1. Books on Midwifery required. The Sub Asst. Surgeon is asked to order these. The approximate cost of these books,-the Sub Asst.
